## FEATURES & BENEFITS

**MANUFACTURED IN THE USA**  
Precision quality you can trust

**105 OEM ASSEMBLIES AVAILABLE**  
Immediate availability

**ENGINEERING DRAWINGS AVAILABLE**  
Technical support for your needs

**OEM PRODUCTION QUALITY**  
Built to exacting standards

**READY FOR IMMEDIATE SHIPMENT**  
Professionally packaged and ready to ship

## PROFESSIONALLY PACKAGED FOR PROTECTION

Each assembly is professionally packaged in custom-engineered protective packaging and is ready for immediate shipment.
